ROBERT HEYAIME

> BIOGRAPHY

Speaking of techno in the Dominican Republic, it is not uncommon to hear the name Robert Heyaime. It is one of the pioneers of the dark and elaborate style. His music stands out thanks to its impeccable selection of tracks in combination with strong mixing technique. His music projects energy, mysticism, and class. From a young age, this DJ and producer associated with music, going to parties, concerts and events where electronic music was the main point, which aroused great curiosity for him to learn to play and create his personal style. He gradually build a base and then established as one of the main profiles of the local techno. Later, he was invited to be part of the collective Massive Groove in New York City.

> COLLABORATIONS

He has successfully share platform with artists such as Carlo Lio, Frank Lorber, Timmo, Alberto Ruiz, Sian, Dani Sbert, Audiofly, Butane, Andrea Frisina, D-formation, Mike Bryant, Alland Byallo, Moog Conspiracy, Siopis, Oscar L, Indira Paganotto, Claudia Gawlas and many more.
